Royal Meadows is a BBMP Approved 'A' Khatha development project by RS DEVELOPERS, striking a balance between rustic beauty and modern conveniences

Sprawling over 4 acres, Royal Meadows is an eco-friendly project, conserving trees, harvesting water, with large, well- maintained green areas, along with modern conveniences.

Royal Meadows consists of 75 plots of varied sizes to suit different tastes, with residential areas. Well-planned infrastructure, effortlessly incorporates all the utilities and facilities required for a contemporary lifestyle amongst the beauty of nature to give you the convenience and comfort as you long for. It makes perfect sense for those who want to get away from the hustle and bustle of the city and for those who want to make a sound investment and happy living.
